Mr. Humphrey moved that the bill be referred to the Committee on Constitutional Reform, with instructions to report the bill in such a manner as to have the amendments submitted

separately to the people. Without any action being taken, on motion, the matter was passed over

informally.

The bill was adopted as it came from the House until section 25, Class C, was reached, which section refer to the taxes to be imposed upon foreign fire and life insurance companies. After a lengthy discussion, the Senst finally decided, by a vote of 16 to 15 to make the taxes to be imposed by the State upon all such companies two per cent, upon the gross receipts derived from the premiums charged for insurance obtained in the State, except under certain circumstances, and allowing the counties to impose a similar

Mr. Waring introduced a bill authorizing the State Treasurer to pay
